## Old Fashion Farm Store

*Only at your local family dairy farm.*

Looking for a great destination for a Saturday drive? How about a place to relive old farm memories? We have just the place for you. Our farm store is a great place for people of all ages. It is located next door to the dairy parlor and attached to the bottling facility. Our family farm provides a wonderful chance for kids to see the baby calves and for adults to shop for many cow related items, Shatto Milk Company Logo'd items, Shatto Milk products, and a host of other local homemade goods such as jam, honey, salsa, and much more.

While at the farm store, you will be overwhelmed with free samples of all our tasty treats. Once your taste buds are satisfied and your shopping is complete, you and your family are encouraged to hang around the farm and enjoy the country setting. We have an old time church pew that is perfectly situated to catch the afternoon sun while you enjoy a pint of our famous

chocolate milk. Or you may choose to sit on our porch swing and get a bit more wind through your hair. No matter your choice, we are sure you will find the endless view of pasture relaxing and refreshing.

If you are more into interactive fun, you are always welcome to walk about 100 feet to our dairy parlor. There you will have the chance to pet the future of Shatto Milk Company, our baby calves. Our calves always enjoy visitors! Occasionally, they will show off by jumping around their pen or by trying to lick your fingers.

Our farm store is open 7 days a week, Monday through Friday 8 a.m. to 6 p.m., Saturday 8 a.m. to 4 p.m., and Sunday 9 a.m. to 4 p.m. Our farm is located just far enough to get you out of the city, yet close enough to make us your neighbor. We are located about 10 minutes north of Plattsburg, 30 minutes from Liberty and St. Joseph, 45 minutes from Downtown Kansas City, and about an hour from most other portions of the Kansas City Metropolitan area. A map and complete directions to our local family farm can be found on our website at [www.shattomilkcompany.com](http://www.shattomilkcompany.com).

## Egg Hunt Update

Over 200 children took part in our 1<sup>st</sup> Annual Easter Egg Hunt, held on March 27. The turnout for this event was more than we had anticipated for our first Egg Hunt. We are so happy that many of you chose to spend part of your Easter Sunday with us on the farm!!

In addition to the egg hunt, kids and adults alike were able to pet our baby calves and a couple of sheep that were brought over by our wonderful neighbors. Many families sought out the opportunity to get a picture with Peter Rabbit, visit our farm store, and take a tour of the farm. While most of the events went well, we truly learned a lot from the experience and have already started planning and jotting down notes for our second annual Easter Egg Hunt in 2006.

A huge thanks to all of you who attended the Egg Hunt this year. We hope you had a great time and enjoyed your Easter Farm Experience! I can assure you next year will be even more fun and all of us here on the farm will make sure the Shatto Milk Company Easter Egg Hunt becomes one of the best in the region!

---

### BANANA CARAMEL LATTE

Ingredients:

- 1 oz. Ghirardelli Creamy Caramel Flavored Syrup
- 3/4 oz. Monin Banana Syrup
- 8 oz. Shatto Milk
- 2 shots Roasterie Espresso

Steam syrups with the milk.  
Combine espresso and stir. Top with whipped Shatto cream.  
Dust with cinnamon.

Recipe compliments of The Roasterie

## What's Happening On The Family Farm?

March proved to be another wonderful month at the farm. As many are aware, we hosted our first annual Easter Egg Hunt. We had a much larger turnout than we expected, over 200 children hunted for eggs.

We continue to set up tours well into the summer. This past month we hosted over 700 people at the farm. As is the case with every tour, we truly enjoy sharing our story and farm with you. We hope everyone can make it out to visit us at least once. If you haven't been out to see us yet, we eagerly await your arrival.

Those who work at the dairy continue to pamper our wonderful cows. This past month we sowed oats and grass in the pasture where the cows live. This will provide them with a great place to lay in the spring and summer and a lot of tasty green grass to munch on for an afternoon snack. A few more of our happy bovines had new calves this past month, so you will see even more calves when you come out to visit us.

My wife and I had the opportunity to visit with many of you when we provided samples at a number of the stores that carry our products this past month, and at our 1<sup>st</sup> Annual Easter Egg Hunt. It was truly a pleasure talking with each of you. We hope to meet many more of you at the farm as well as when we provide product samples at many of our stores this month.

## EMPLOYEE SPOTLIGHT

Roger Anderson is the plant manager and product specialist for Shatto Milk Company. Roger lives close to our family farm and just celebrated his first anniversary with us. Roger often starts his day at the farm around 5 a.m. and is in charge of quality assurance, the overall operation of our processing and bottling plant, and of course he is burdened with the task of sampling every batch of our premium milk products to ensure each batch meets our super premium quality requirements. Roger is a wonderful person that we all enjoy and appreciate very much.

Roger is someone we are proud to have as a part of the Shatto Milk Company Family. Roger, thank you for ensuring that Shatto Milk products are the best tasting and freshest products around!

## AREA SPOTLIGHT OVERLAND PARK, KANSAS

A number of wonderful stores stock Shatto Milk Company products in Overland Park. Many of these stores carry the full line of Shatto Milk Company products including our juice line, which features Shatto Milk Company fruit punch, sweetened tea, and orange drink.

All of us here at Shatto Milk Company are thankful for the terrific store employees we have had the opportunity to meet and work with. Their dedication to our local, family-owned and operated dairy farm products is greatly appreciated.

## Family Day At The Farm

It is never too early to mark your calendars for our largest farm event of the year. On **June 25, 2005** from 10 a.m. to 3 p.m. Shatto Milk Company will be hosting the 2<sup>nd</sup> Annual Family Day At The Farm.

This event is to thank all of you for supporting our local family farm and to celebrate our second year in

business. As in years past, this event is free to all and will include an open house of our facilities, the chance to win many wonderful door prizes, free snacks, games for the kids, the chance to see and pet our baby calves, free samples of our products, and much more.

**Feel free to spread the word of this event.**
